

**Winter Masterclass  
with Lucja  
for professional  
singers and students  
on Spiekeroog  
12 — 18 February  
2024**

# Dear singers,

We cordially invite you to the voice masterclass February 2024!

After having organized and enjoyed this masterclass in 2023 on the beautiful island of Spiekeroog (North Sea) for the first time we already realized during the course that it called to be repeated. Thus, also in 2024 there will be a masterclass amid this small peaceful idyllic scenery of a fairy-tale like village near white shores on an island with about 800 inhabitants and no cars. It is a once in a lifetime opportunity for a break from the daily hustle enjoying fresh sea air combined with the beauty of singing. It is a real „workation“ to combine intensive work on your voice with a holiday like experience at the North Sea.

We are looking so much forward to an intense and enriching time spent together and can't wait for your application.

Heartily, Stephan and Swantje

[www.ejh-spiekerroog.de](http://www.ejh-spiekerroog.de) (we will be in Haus 4)

Accommodation will take place in a guesthouse only 100 meters off the coast. The sea can be seen from the terrace as well as the masterclass lesson room – this is unrivaled on the island!

There are 12 rooms ranging from single to 5-persons-rooms as well as a common room, a kitchen, a fire place room and a sunroom.

Each participant receives his/her own room. The rooms do not have an own bathroom, there are common sanitary tracts on each floor. On the whole the accommodation represents a higher lever guest house. It does not match hotel standards but offers a fair charge, very good catering and a marvelous view.
